

Anuj Bidve Memorial Scholarship Lancaster University, UK

Tribute to Anuj Bidve

Anuj Bidve graduated from the University of Pune in 2011 in Electronics and Telecommunication. Anuj enrolled in Lancaster University, UK for pursuing his Masters Degree in Engineering and Computing. He was tragically killed at Manchester, Salford, UK on 26th December 2011.

As an enduring tribute to **Anuj Bidve**, his alma mater Lancaster University has established the Anuj Bidve Memorial Scholarship. The scholarship will be awarded annually on an indefinite basis for a Masters degree in Engineering at Lancaster University (12 month of full time study).

The scholarship is to be tied to a graduate of the University of Pune, who wishes to take a Masters Degree in Engineering at the Lancaster University since Anuj Bidve graduated from the University of Pune in 2011.

"The scholarship is a fitting and lasting way of remembering Anuj, who was an outstanding student". Professor Mark E Smith, Vice-chancellor, Lancaster University.

"The scholarship is to be tied to a graduate of the University of Pune, who wishes to take a Masters Degree in Engineering at the Lancaster University." Dr. Dr. W. N. Gade Vice-chancellor, University of Pune.

About the Anuj Bidve Memorial Scholarship

The scholarship, which is for fees and accommodation, has been agreed in line with the wishes of Anuj Bidve's family. The annual scholarship will fund an engineering MSc for a student graduating from the University of Pune in India, where Anuj Bidve studied.

- Scholarship is open to a student of the University of Pune.
- Scholarship is for Term Beginning October 2012.
- Lancaster University will waive the tuition fee and will meet the cost of residential accommodation.

- Scholarship is to be restricted to an Indian student studying in engineering / computing (same area as Anuj) and for study at Masters Level.
- Scholarship will be awarded for a Masters degree in Engineering at Lancaster University (12 month of full time study).
- Selection of the student that will take up the Scholarship will be made by the Department of Engineering of Lancaster University.
- Application to be made directly to Lancaster University.
