About the University

The University of Pune is one of the largest and renowned universities in the world. There are several statistically extensive aspects in this university; and also it possesses qualitatively meritorious incidences and achievements. The National Assessment and Accreditation Council (NAAC) has bestowed upon excellent status to it. Along with this, the UGC has awarded this university-Potential for Excellence (UPE). More than 1500 foreign students from about 60 various countries are availing education in different units here. Besides academic activities and research, the university has achieved grand success in different community oriented extension programmes. The University has shown sparkling achievements in other wings also such as examinations, finance, other administrative divisions, etc. The success in teachers' training, students' increasing participation in research & sports, collaboration with government agencies, organizations and industry are very much appreciable. It is popularly known as the 'Oxford of the East'. It has 307 recognized research institutes and 612 affiliated colleges.

About the Department

The Department of Adult, Continuing Education and Extension has been established and developed on two noble principles i.e. social commitment (envisaged by the UoP) and extension (declared by the UGC). The Dept. started several socially useful and society oriented programmes initially. Various community development programmes, people oriented government schemes were implemented through youth in colleges and universities & NGOs. The Department recognized the need for providing quality education by up gradation of skills of people in tune with the developmental needs of individuals and society. The Department has resolved itself to work on some socially important areas along with socially useful field activities. The Department has been engaged in academic activities i.e. 'Diploma in Tribal Development'; and organized national, state, regional seminars and conferences. The Dept. has also developed print and audio visual learning material for the community and students. The Dept. conducts several research activities including Ph.D. programme in the subject of Adult, Continuing Education and Extension (interdisciplinary).
