(the other 50% of the entrance test marks). For example, if you have received 30 marks in the personal interview out of 50 and if you have secured 70% marks at BA in economics subjects, we will

take 30 marks of your interview and add half of your BA marks i.e. 35 to it, your total score will then be 65 out of 100 and the admission merit list will be prepared with these 65 marks for you.
