**Short term Training course on 'Methodologies used in gene expression analysis.'**

The Department of Botany, Savitribai Phule Pune University will be organizing a DBT-sponsored training course for mid-career scientists involved in undergraduate teaching in Life-Sciences and Biotechnology from **29<sup>th</sup> September to 20<sup>th</sup> October 2015**. The course would consist of one lecture by Guest faculty drawn from reputed research institutes in the country and will be followed by a practicals / hands-on session per day.

Candidates below 45 years of age, holding regular positions in Colleges or Research Institutes may apply for this course. The applicants would have to be sponsored by their own Institutions. Applications may be sent to the course director stating:

1. Name and address for communication including email id, mobile phone number.
2. Educational qualifications and research / teaching experience
3. Present place and nature of work
4. Relevance of training course in present and future research work (one paragraph)
5. Relevant research facilities available in Institution
6. Whether the candidate has undertaken such DBT-sponsored training courses in the past.
7. Recommendation from Senior faculty / Head of the Institution.

**Last date for receipt of applications is 30<sup>th</sup> July 2015.**

Details of the course can be accessed from the Botany Department web page
