

THE NATIONAL ACADEMY OF SCIENCES, INDIA and SAVITRIBAI PHULE PUNE UNIVERSITY, PUNE

NATIONAL LEVEL COMPETITION on INNOVATIVE MODELS for EFFECTIVE TEACHING

Patron

Prof. W. N. Gade
Vice-Chancellor,
Savitribai Phule Pune University,
Pune

Co-Patron

Dr. V. B. Gaikwad
Director, BCUD
Savitribai Phule Pune University,
Pune

Members of NASI-Pune Chapter

Chairman

Prof. Dilip Dhavale,
SPPU, Pune

Advisors

Prof. Amitava Das,
NCL, Pune

Prof. Sulabha Kulkarni,
IISER, Pune

Prof. Pradeep Kumar,
NCL, Pune

Prof. Shekhar Mande,
NCCS, Pune

Prof. Debashis Mitra,
NCCS, Pune

Co-opted Member

Prof. Nilima Rajurkar,
Head, Department of Chemistry

Co-ordinator

Prof. Dipalee Malkhede,
Department of Chemistry,
Savitribai Phule Pune University,
Pune

Organizing Committee

Prof. Sanjay Dhole
Prof. Pradip Lokhande
Prof. Kalpana Pai
Prof. Satish Pardeshi
Prof. Nitin Patil

The NASI-Pune Chapter is one of the Chapters of The National Academy of Sciences India, Allahabad. To organize activities related to science for understanding and enjoying science among students, NASI-Pune Chapter is taking initiative to empower the professional competency of teachers.

To make teaching interesting, teaching should be based on working, nonworking models, animation and videos. A model is a representation of an idea, object, event, process or system and it plays a crucial role in science practice. Therefore a competition of making models is organized based on syllabus of **B. Sc. I, II, III and M. Sc. I, II** year for **Teachers** from Physics, Chemistry, Botany, Zoology, Mathematics, Computer Science, Environmental Science, Geology and Statistics.

The competition aims at providing platform to teachers to give shape to their innovative ideas and learn from mutual experiences. This competition provides a medium for popularizing Basic Science among graduate and post-graduate students.

There will be cash awards of

1 BEST MODEL ₹ 10,000/-
2 BEST MODEL ₹ 5,000/-
3 BEST MODEL ₹ 3,000/-

10 consolation prizes of ₹ 2000/- each

Teachers willing to participate are requested to send registration form by 15th February 2016.

Based on the write-up sent, participants will be invited to display their models.

The selected exhibits will be uploaded on You-tube.

Important Dates

- Writeup on Idea 15th February 2016
- Acceptance 20th February 2016
- Exhibition 28th February 2016
