

Research Fellow

Name : Vipul Vijaykumar Dhongade

Designation : Research Scholar

Phone : +91 8208977471

Email Id : vipul.str@gmail.com

Qualification: M.Sc. Electronic Science, NET

Ph.D. Topic: “Design, development and analysis of strategies for monitoring hybrid energy systems.”

Guide: Prof. A.D.Shaligram

Research Interests: Sensors, Hybrid energy systems, Renewable energy, Embedded systems.

Work Experience: 6.5 years

Awards and Fellowships: UGC NET, DST PURSE scheme

Journal Publications: 5

Research Projects: Development of hybrid energy monitoring system with PLC-SCADA platform, load analysis systems, wireless data logger, biogas plant automation

Additional Info : Experience on product development, Embedded systems, IoT, Hands on training on Raspberry Pi, Wireless systems.
